ARYAN TECHNOLOGIES

May 2008

To,
Our Esteemed Customers,

ARYAN
Wishes **SUCCESS & GROWTH**
to Our Esteemed Client in
Financial Year 2008-2009

We are **Growing** with your references and adding your suggestions inside software to make the work more easier for analyzing your day-to-day Business activities.

Today our software is presenting tremendous output to your organization in many ways. We not only give information on Accounting but also presenting reports on...

Inventory (Stock)

- ❖ To Control your Stocks,
- ❖ To Check Slow-fast moving Items,
- ❖ To Check pending GRN / Challan Sales, Annexure VII
- ❖ To Check Godown / Store wise stock position,
- ❖ To Check 12 Month Order Status Report Product wise,
- ❖ To Check Monthly Sales / Purchase, Product wise Summary / Detail,
- ❖ To Check Monthly Stock Movement Report For Submitting in Bank or Audit reports, etc.

Party / Product Status

- ❖ To Check Party's payment schedule,
- ❖ Top parties Rating Chart (A/B/C report)
- ❖ To Check area wise List of Sales & Collection report,
- ❖ To Check 12 Month Order Status Report Party wise,
- ❖ To Check 12 Month Party performance on Sales & Collections,
- ❖ To Check Monthly Sales / Purchase, Party wise Summary / Detail,
- ❖ Combination of Party Product wise Reports.

Other Reports

- Cost-Center wise report Detail & Summary.
- Broker wise Sales, Collection, Earning and Out-standings.
- List of Pending / Released Forms Based on Sales & Purchases.
- Balance Confirmation Letter, Statement of Accounts for parties,
- Loan Confirmation Letter, Interest calculation Periodical / Day-wise,
- Day to Day Cash & Bank Balances,
- Cash flow Statement,
- 12 Month Profit & Loss,
- Interest on Bank-overdraft,
- FBT Reports,
- TDS Deduction at Purchase / Expenses Bill Booking & Certificate Details,
- Sales / Purchases Order Module, and many more...

The above highlighted points are re-designed in Windows / XLS Output. Yes! Dos reporting for Dot Matrix Printer are also kept on Alt+D Mode. So users can have access to all features. Need to know more? Please feel free to call / write us at info.aryantech@gmail.com

Tips: Few Short keys, which you can run from main menu of software...

- **F3** – To Check Parties / Ledger / Stock Positions immediately.
- **F1** – Help Desk to search option & run directly for main screen,
- **F6** – To Jump to Special Program of Data Management if you are on First Menu of Main menu,
- **F11** - To Check History of Sales / Purchase done for an item while making Invoices / Bills.

With Warm Regards
For **Aryan Technologies**
