**ARYAN TECHNOLOGIES**

November 2010

To,  
Our Esteemed Customers,

**ARYAN**  
Wishes **SUCCESS & GROWTH** to  
Our Esteemed Clients in  
Financial Year 2010-2011

We are **Growing** with your references and adding your suggestions in software to make the work faster and easier for analyzing day-to-day Business activities.

Today our software is providing tremendous output to your organization in many ways. We not only give information on Accounting but also presenting MIS Reports such as on...

## Advanced Inventory System (Stock)

- ❖ If you are Manufacturer and want to keep the stock detail process wise. **YES!** You can maintain it from our latest Inventory Module. Where BOM can be defined with various Processes you do it in your premises.
- ❖ Stock Re-order level is now developed with more details.
- ❖ Party – Product wise 12 month Analysis,
- ❖ Employee, Machine Masters – too keep track of Employees performance of productivity.
- ❖ Monthly Stock Movement Report For Submitting in Bank or Audit reports, etc.
- ❖ For Trader, Item wise profitability, Sales bills wise profitability, etc
- ❖ And the best part of conversion of Ground stock in book stock at the end of each month is also possible.

## Broker (Salesmen) Analysis

- ❖ Broker wise O/standing report in Excel, Broker wise Earning (Monthly),
- ❖ Even Collection report Broker wise is also possible in windows format.
- ❖ Broker wise Monthly billing, etc

## Other Module / Reports

### ❖ Ultimate Tracking Module

- This Module can be run separately – is not connected with our A/c software.
- The purpose is to help you to keep the updated status of last follow-up made.
- Mainly used by Sales / Service Department.
- The best part of this Module is that besides showing updated last talk details you can send the same one via email to your client on just a single click.
- The email i.e. Outlook Express will auto open and will send the updated follow-up detail to client.
- Report of No. of client converted / are under follow-up / or Rejected (Not Converted).
- User Creating – Locking Rights etc utility.

### ❖ Ultimate Quotation Module

- This Module can be run separately – is not connected with our A/c software.
- The purpose is to help you to make the Quotation easily,
- To keep the details of total No. of Quotation sent to a client, and get list on single click.
- Mainly used by Corporate Companies – Making Machines / Engines.
- The best part of this Module is that if your Quotation is of more than 5 pages with details of each item litterateur, diagram and specification. Then this will save your time.
- The entire Quotation will get auto drafted in Word Document files.
- You can also keep the follow-up details on that quotation,
- On sending revised quotation it will keep the track from beginning.
- Master creation of Items & Party – Auto formation of Documented details, Backup utility,
- User Creating – Locking Rights etc utility.

**ARYAN TECHNOLOGIES**

## ❖ Ultimate Divisional Module

- This Module is a part of software and cannot be run separately.
- The purpose is to help you to maintain Books of A/c under one roof.
- Mainly used by Corporate Companies – which are having Division / Sister Concern / Branches.
- The best part of this Module is that No need to created different master for each divisions.
- Report such as Balance Sheet / P & L / Trial Balance / Ledger print can be listed each division wise separately as well as combined.
- Bank Reconciliation / Stock / O/standing Detail will be maintained under one roof.
- Disadvantage system will be slow,

## ❖ Advance feature of making your Software on On-line Mode

With the phase of advance technologies you can Run your software on Net System i.e. **ON-LINE DATA ENTRY FROM ANYWHERE**, YES! If you have several branches than no need to buy software for each location and transfer data from one-location to another. We can provide you Online Software, which can be implemented in very reasonable charges within 2 Month of time. The best part of our On-line system is that you can run any application on net without any HURDEL.

**Note:** We have sifted our office at a permanent location and the details of our new locations are...
