**ARYAN TECHNOLOGIES**

24<sup>th</sup> December 2007

**Dear Valued Customers,**

The last news letter had highlighted you about the basic changes, we have made in AT's Ultimate Business Solution.

This time we are bringing the new version with some additional reporting, which will be helpful to you in Analysing your day to day Business activities & in the process of your quarter finalization.

As suggested by various customers the changes are...

## **Tax Deduction at Source (TDS)**

- TDS deduction now during PU / Expense Entry.
- Auto JV on the deducted TDS.
- Latest TDS Certificate Format & Report in XLS.

## **Trial Balance in Detail**

- Now get transferred to XLS with auto formatting.

## **List of Sales in Windows & XLS**

- List of Sales Area-wise party product in detail.
- List of Sales Product-wise, party area in detail.
- Both above in XLS.
- Party wise List of Sales Only (Docno, Date & Value) in Windows Format.

## **Job / Batch wise Report in Windows**

- Inventory Module is now developed in more advance for Pharma / Batchwise Stock report,
- Job Actual on Cost Analysis in designed in windows report,
- Stock Ledger, Stock List as on any date,
- Production Report with Batch detail,
- Warehouse to Warehouse (Store - Production) wise report with batch detail,

## **Broker-wise Report in XLS**

- Brokerage Earning in XLS for Selected / All wise,
- Outstanding reports in XLS,
- Broker-wise collection report in windows format.
- All above reports on paid / unpaid bill basis.

**Tips:** Few Short keys which you can run from main menu of software...

- **Alt+F10** - To Switch to Main Menu of Package from any option except Data Entry of softwares.
- **Alt+N** - To Get the Last No. in any transaction series,
- **Alt+C** - To Keep Company wise Reminder Note,
- **Alt+B** - To Check Bank, Cash & PDC Position of the Bank from Main Menu.

**Kindly Note:** Our Administrative Office address is changed
